Highlights

ComfortTech blades

Self-sharpening blades provide an efficient clean shave with optimal skin comfort. The curved blade caps shield your skin from the blades, which gently cut hair just above skin level.

360° contour heads

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and skin-friendly shave.

Easy grip

The shaver is designed with an ergonomic grip, so each movement feels natural. The new ergonomic handle with anti-slip rubber allows you get an effortless easy shave even when using under the shower.

1-hour charging time

Fully charge your Philips shaver in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

50 minutes of cordless shaving

Shave cordlessly for up to 50 minutes after one full battery charge.

One-touch open

Clean the shaver with ease. At the touch of a button, flip open the shaver head and rinse with water.

SmartClick Precision Trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

Advanced display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 1-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator.
