- Fast heat up time, ready to use in 30 seconds
- Swivel cord to prevent tangled wires
- No more accidental change of settings with key-lock function
- Including pouch for easy storage

PHILIPS

Highlights

Instant heat up

The straightener has a fast heat up time, being ready to use in 30 seconds

Auto key-lock function

You are always in control. No more accidental switching on/off of the styler or temperature change with the Key-lock function.

Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

Including pouch

Including pouch for easy storage

1.8 m cord

1.8 m power cord

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.
