PHILIPS
NORELCO

Highlights

Flex & Pivot Action

Three independently flexing heads in a shaving unit that swivels with a full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.

Triple-Track shaving heads

The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.

High performance design

The revolutionary design ensures superior handling for a perfect shaving experience.

Super Lift & Cut technology

The dual blade system of this electric shaver lifts hairs to cut comfortably below skin level.

Washable shaver

The water resistant Philips shaver can be easily rinsed under the tap.

Washable shaver

The waterproof shaver can be easily rinsed under the tap.

Precision tube trimmer

Patented tube trimmer technology for great precision and maneuverability. Perfect for contouring and trimming moustache and sideburns.
