Durable consistent performance

Self-sharpening stainless steel blades

This trimmer is designed to be charged with any micro-USB cable, it fully charges in 8 hours and runs for up to 30 minutes. The stainless steel blades are self-sharpening, giving you a hassle-free trim as on day 1.

Easy to use

- Up to 30 minutes of cordless use after 8 hours charging
- Travel lock prevents trimmer from accidentally starting
- Easy to grip
- Detacheable head for easy cleaning
- USB charging for convenient use
- Know when it's time to charge

Built to last

- Warranty for purchase protection

Trimming performance

- Get a perfect but protective trim
- Skin-friendly blades for smooth skin
- Choose beard lengths of 1-7mm or the zero trim look

Highlights

Self-sharpening blades

The self-sharpening steel blades on the Philips 3000 beard trimmer stay as sharp and effective as on day 1 to deliver a perfect yet protective trim, time after time.

Get any of the 4 looks

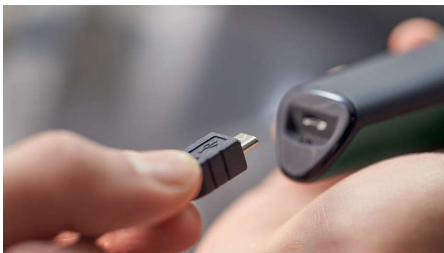

Use the 1-7mm comb to trim your long beard, the 1mm comb to create a 3-day stubble look or use your trimmer without a comb to have a zero trim.

Skin-friendly blades

Designed to prevent scratches and irritation, the blades have rounded tips for smoother skin contact.

30 min cordless use

Charge your trimmer for 8 hours with your USB cable to get 30 minutes of cordless use.

USB charging

This beard trimmer comes with a USB cable for more flexible charging via your computer or any USB adaptor. The adaptor is not included (recommended adaptor Philips HQ80/HQ87).

Battery indicator

The green light on the adaptor lets you know when your device is charging.

Travel lock

The travel lock on the on/off button prevents the appliance from being switched on by accident.

Easy to clean

Detach the head and use the brush included to sweep away loose hairs for an easy dry cleaning. No oiling required.

Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.

Built to last

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
