Powerful shave, gentle on skin with SenseIQ technology

Philips Norelco Shaver 5300 delivers a powerful, yet comfortable shave, now cutting now even more hair per stroke* with its SkinProtect blades, 360° Contour Heads and Smart Hair sensor that adjusts the motor for consistent performance.

Skin comfort

- Maintains skin contact for a comfortable, smooth shave

For a convenient shave

- Even-up your mustache and sideburns
- One-touch open for easy cleaning
- LED display with intuitive icons
- Rubber grip for comfortable anti-slip handling
- Get a convenient dry shave or a refreshing wet shave
- 60 minutes of cordless shaving from a 1-hour charge

SenseIQ technology

- Adjusts to your beard for effortless shaving

A close, powerful shave

- Powerful, yet gentle performance with fewer passes

Highlights

SkinProtect blades

With up to 90,000 cutting actions per minute, the SkinProtect blades deliver a close shave with fewer passes* for more comfortable skin. The 45 high-performance blades are self-sharpening for a consistent shave every time.

360° contour heads

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and skin-friendly shave.

Shave wet & dry

Get a convenient dry shave or a more refreshing wet shave with gel or foam - even in the shower.

Pop-up trimmer

Refine and define your mustache and sideburns with the pop-up trimmer—and complete your look with ease.

60 minutes of cordless shaving

Use your shaver at home or on-the-go for up to 60 minutes on a 1-hour charge - that's about 20 shaves. Or a 5-minute quick charge gives enough power for one shave.

Smart Hair sensor

The intelligent sensor reads facial hair density 125 times per second and auto-adapts cutting power for an effortless and gentle shave.

One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

Intuitive display

The intuitive display shows the information you need to get the best experience from your shaver. The LED interface includes: 3-level battery status, cleaning advice and travel lock indicator.

Rubber grip

Handle your shaver comfortably and with precision, thanks to anti-slip rubber that makes it easy to keep a secure grip, even when wet.
