Use it plugged in or cordless. 1 hour of charging gives you 60 minutes of cordless power.

Diamond-like carbon blade

Cutting edge stays sharp 3 times longer than traditional stainless steel blades.

Ergonomic design

Comfortable to hold and easy to manoeuvre for hard to reach areas.

The steel blades lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded tips to protect your skin.
