HP8302/00

Always ready made easy

Easily straighten and style your hair at home

Straighten and style your hair with this easy to use Philips Selfie straightener. This product makes styling at home quick and convenient. Look your best for all those important selfie moments.

Ease of use

- Fast heat up time, ready to use in 60 seconds
- A useful swivel cord rotates and prevents tangled wires
- Use anywhere in the world with universal voltage

Beautifully styled hair

- Ceramic plates for smooth gliding and straight hair
- 210°C professional temperature for perfect salon results
- Silky smooth plates and less heat exposure

Highlights

SilkPro Care

Enjoy style and care with the Philips SilkPro Care technology. Plates smoother than silk glide through your hair with optimized temperature, minimizing friction and resulting in less heat exposure. For beautifully straightened silky smooth hair.

Ceramic plates

Infused ceramic plates for ultrasmooth gliding and straight hair.

210°C styling temperature

This styling temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.

Rapid heat-up

The straightener has a fast heat-up time, being ready to use in 60 seconds.

Swivel cord

The swivel cord technology conveniently rotates the cord and prevents unnecessary tangles.

Universal Voltage

This straightener is ready to use anywhere in the world and is compatible with 110–240 voltage.
