- Up to 90 minutes of cordless use after 10 hours charge

Skin-friendly performance

- Rounded tips for smooth skin contact

Precision

- Self sharpening steel blades
- The zoom wheel technology provides precision length settings

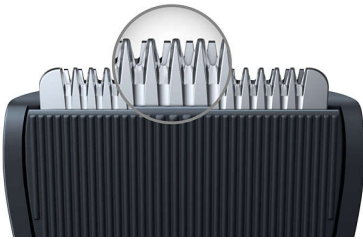

Highlights

Self sharpening steel blades

Self sharpening steel blades are designed to effectively cut each hair perfectly, preventing skin irritation.

Skin friendly steel blades

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

Built in 10 length settings

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

Lithium Ion battery

Up to 90 minutes run time with 10 hours charge. Corded and cordless use. Can use while charging.

Cordless use

Rechargeable only. Up to 90 minutes of cordless power after 10 hours of charging.

Easy to clean

Detach the head of your Philips beard trimmer and rinse it under the tap for easy cleaning. Then dry it before you put it back on the appliance.

Maintenance free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

Built to last

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
