

Philips Sonicare Elite
Sonic electric toothbrush

HX9552

Custom Care system

4 ways of customised cleaning in one product

No two people are the same - especially when it comes to oral care. So why not use a power toothbrush that can adapt to your different needs and still deliver superior results?

2 brush head sizes and 2 cleaning speeds

- Thorough everyday clean, massages and stimulates gums
- Standard for a complete clean, compact for precision clean

Superior cleaning technology

- Clinically proven safe and gentle
- Dynamic fluid action reaches deep between teeth
- Removes plaque in hard-to-reach areas
- Healthier gums

Customisable cleaning

- Easy-start to acclimate to the Sonicare experience
- Quadpacer 30-second interval timer encourages even brushing

PHILIPS
sonicare

Highlights

2 brush head sizes

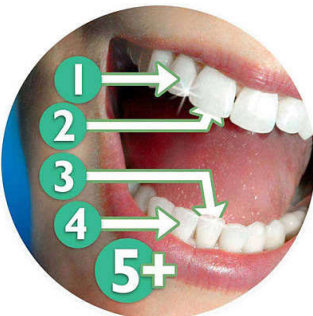

Standard for a complete clean, compact for precision clean

2 speeds

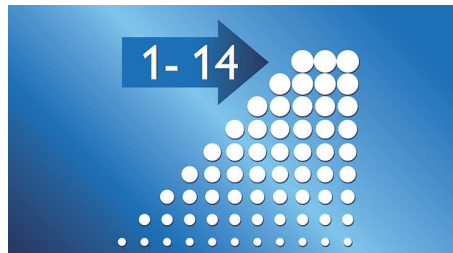

Max for a thorough everyday clean, Gentle for sensitive areas and gum massage.

Quadpacer

Quadpacer 30-second interval timer encourages even brushing

Easy-start

Gently increases power over first 14 uses, to ease into the Sonicare experience.

2-minute timer

Dynamic fluid action reaches deep between teeth

Deluxe recharge gauge

Removes plaque in hard-to-reach areas

Safe and gentle

Philips Sonicare is a gentle electric toothbrush for braces (brush heads wear out sooner when used on braces), and is safe for dental restorations (fillings, crowns, veneers) and periodontal pockets, too.

Healthier gums

Clinically proven to reduce gingivitis and help shrink periodontal pockets.
