Highlights

DualPrecision blades

DualPrecision blades comfortably shave both long hairs and short stubble. 1. Slots cut long hairs. 2. Holes cut stubble.

SmartPivot

The heads flex to stay in close contact with your skin, and pivot to add an extra dimension of movement - all of which gives you a close, fast and comfortable shave.

Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

50+ shaving minutes

An energy-efficient, powerful and long-lasting lithium-ion battery gives you more shaves per charge. Charge it for an hour, and you'll have 50+ minutes of shaving time - that's around 17 shaves. Charge it for 3 minutes and you'll have enough power for one shave.

Efficient power System

Can be used corded and cordless

Fully washable shaver

Simply pop the heads open, and rinse thoroughly under the tap.
