# SH30

Replacement shaving heads

## Highlights

### PowerCut Blades

27 self-sharpening blades consistently cut each hair right above skin level for a smooth, even finish every time. Our self-sharpening blades stay like new for 2 years.

### Compatibility

Check the back of your shaver's handle to confirm replacement head. Need help? Visit [philips.com/accessories](https://philips.com/accessories)

### Simple replacement

1. Open the shaver by pressing the "release" button; 2. Remove the retainer by turning the lock counterclockwise; 3. Take out the old

shaving heads and carefully insert replacements; check that the heads align exactly in the setting; 4. Replace the retainer and secure it by turning the lock clockwise; 5. When you close the shaving head properly, you will hear it click into place.

### Reset your shaver to new

Replace the shaver heads every 24 months to ensure best performance on your device.

### Recyclable packaging\*

At Philips we strive for sustainability in all aspects of product development. This packaging comes without plastic parts and is fully recyclable\*.
