Sonic electric toothbrush
2 modes 1 brush head

Highlights

Removes up to 2x more plaque

This brush head removes up to 2 times more plaque than a manual toothbrush

Helps reduce cavities

Provides better plaque removal and access to back teeth; brushing twice a day every day with this brush can help reduce cavities

Better access to back teeth

This plaque-removing toothbrush has a slim, angled brush head which provides better access to back teeth and hard-to-reach places.

EasyStart

The EasyStart feature adjusts the power level of the toothbrush over the first 14 uses to help you get

used to the Sonicare experience, streamlining the transition from a manual toothbrush

Quadpacer and Smartimer

The Quadpacer interval timer indicates when it's time to move to another quadrant of the mouth, while the Smartimer helps you reach the dentist-recommended brushing time of two minutes.

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worrying.

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough yet gentle clean.
