## Highlights

### Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

### Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

### Ready to use indicator

This shows when the styler has reached the right temperature, so you can instantly see when you're ready to style.

### Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.

### Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.
