Beard & Head
trimmer Series 5100

0.2mm precision settings

Stainless steel blades

70 min cordless use/1h charge

3 combs for beard and hair

BT5210/42

Even length at every angle

Engineered for an effortless even trim

This beard & head trimmer helps you to achieve exactly the 3-day stubble, short or long beard look or hair style you want. The new hair lift comb lifts & guides hairs to the blade for efficient one pass trimming.

Easy to use

- Select your lengths from 1/64"–1/2" with the zoom wheel
- 70 minutes runtime after a 1 hour charge, or plug it in
- Fully washable for easy, thorough cleaning
- 5 year warranty offer

Skin-friendly performance

- Skin-friendly, high-performance blades for the perfect trim

Effortless trimming

- Lifts the hair up to the blade for an even result
- Guides the hairs to the cutter for effortless trimming
- Blades are double sharpened for faster trimming*
- Includes 2 combs for short & long hair (0,4–13mm)

Perfect 3 day stubble

- Keep perfect 3-day stubble by using the 0.4mm setting daily

Highlights

Dynamic Beard Guide System

Innovative lift & trim technology effectively lifts and guides hairs for a more efficient cut. Rounded contour comb technology is designed to deliver a skin friendly and more even trim.

Integrated Hair lift comb

Trim your stubble in one quick pass, while being gentle on your skin. Our new Integrated hair lift comb lifts and guides the hairs to the level of the blades for effortless, even trimming.

Short & long hair combs

Just put these extra hair combs on when you want to touch up your haircut. Use the short hair comb for 0,4-7mm and the long hair comb for 7-13mm length.

Self-sharpening steel blades

The blades are designed to effectively cut each hair perfectly, preventing skin irritation. They are double sharpened to cut more hairs in every pass for faster trimming.

Corded and cordless use

Li-Ion
70 minutes

Advanced lithium-ion battery delivers maximum power for high performance cutting. Charge your beard trimmer for 1 hour to get 70 minutes of cordless use. It can also be used while charging.

Skin-friendly blades

Get a perfect yet protective trim, time after time. The beard trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra sharp and effective. They also have rounded tips and combs to help prevent skin irritation.

Built-in 17 length settings

Select your preferred trim length by simply turning the zoom wheel until the length you want is displayed from 0,4 - 7mm (1/64" to 9/32") with 0,2mm precision for beard and short hair trimming and 7 - 13mm (9/32" to 1/2") for long hair trimming.

Fully washable

Simply rinse the beard trimmer head under the tap to thoroughly clean it. The trimmer is completely waterproof.

Ideal stubble setting

Keep an ideal 3- day stubble, day after day, by using the trimmer's shortest 0.4mm setting.
