Highlights

All-in-one groomer

Offers versatile groom options with 5 beard guards, 3 beard guards and 1 eyebrow guard.

DualCut technology

This all-in-one hair trimmer features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

Steel blades

Our unique cutting guards are reinforced to prevent bending and buckling, ensuring an even trim every time.

Reinforced guards

Get an even trim every time, with unique reinforced cutting guards designed to prevent bending and buckling that's common with impact.

Rinseable attachments

Your face and body trimmer is simple to maintain, with non-corrosive blades and water-resistant guards for easy cleaning.

70 minute run time

Trims for 70 minutes between charges. Powered by a NiMH battery.

Cordless and corded use

The trimmer can conveniently be used cordless for 70 minutes, or while plugged in for continuous use.

Ergonomic handle

Ergonomic handle features non-slip grip for reassuring control.
