Philips Avent storage system for easy storage

Cup for milk storage

The Philips Avent storage system is a versatile, space-saving storage system designed to grow with your baby. Use the same cup to store breast milk and baby food for your baby. It fits all Philips Avent breast pumps and teats.

Easy to use, store and transport

- Easy to organise
- For use in fridge/freezer
- Leak-proof twist-on system
- Perfect for 'on-the-go'
- Store and feed in one easy step

Compatible with Philips Avent products

- Fits all Philips Avent breast pumps and teats

Highlights

Easy to organise

Easy-to-label cups help you track dates and contents

The Philips Avent Advantage

Use the adapter to express and feed with the same cup

For use in fridge/freezer

The Philips Avent cups can be stored in the fridge or freezer and are dishwasher-safe

Leak-proof twist-on system

For safe storage and transport

Perfect for 'on-the-go'

Ideal for storing and transporting

Store and feed in one easy step

Sturdy, stackable and leak-proof cup; simply attach adaptor and teat for feed
