Beautifully styled hair

- 1400W quick & gentle drying
- Three flexible settings for more control

Less Hair Damage

- Cool air setting for gentle drying
- ThermoProtect temperature setting

Highlights

Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hair dryer that will easily pack into the smallest spaces and you can take virtually anywhere.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

Cool air setting

A cold air setting is a low heat setting that gently dries the hair to minimize damage. This function is suitable for all hair types, but especially for fine, dry or damaged hair. It's a perfect setting for the hot summer season!

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect end result. Three flexible settings ensure precise and tailored styling.

ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

1400W for beautiful results

This 1400W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

Efficient integrated nozzle

A unique dryer where the nozzle is integrated into the streamlined design - for maximum drying efficiency.
