Highlights

ThermoProtect technology

Temperature of the bristles stays at an optimized level to minimize the heat damage, while reducing friction. Leaving hair naturally straight with a silky smooth look.

Triple bristle design

Triple bristle design gently detangles and straightens while protecting your scalp from heat.

Paddle-shaped brush

The paddle-shaped design to straighten more hair in one go.

Fast heat-up time

Ready to use in 50 seconds.

Ready to use indicator light

LED light indicates when the brush is ready to use.

Ionic care for smooth, shiny hair

Ionic care releases millions of ions, eliminate static and resulting in beautiful looking, shiny hair

1.8m cord

1.8m cord.

Swivel cord

Swivel cord for comfortable use.

3 temperature settings

Three temperature settings (150°C, 170°C, 200°C) to suit your hair type.

Argan oil ceramic coating

The bristles with argan oil infused ceramic coating glide smoothly through your hair for naturally straight and shiny look.
