2 temperature settings

BHS375/00

Smooth and shiny hair with care

Specially designed for easy and fast styling with long Keratin-infused plates and 2 temperature settings. Care for your hair with ThermoProtect technology preventing overheating.

Ease of use

- Key-lock function for safe and easy storage
- Universal voltage for worldwide use
- 2 temperature settings
- Fast heat-up time, ready to use in 60 sec
- 100mm long plates for fast and easy straightening

Beautifully styled hair

- Temperature range up to 220°C

Care for your hair

- ThermoProtect technology
- Keratin ceramic plates for smooth gliding and shiny hair

Highlights

ThermoProtect technology

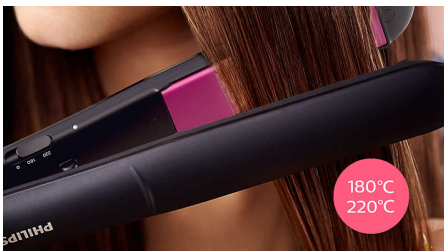

ThermoProtect technology distributes heat evenly across the plates, preventing overheating to protect your hair.

Keratin ceramic plates

Keratin-infused ceramic plates glide smoothly through your hair, for quick and easy styling.

Temperature range

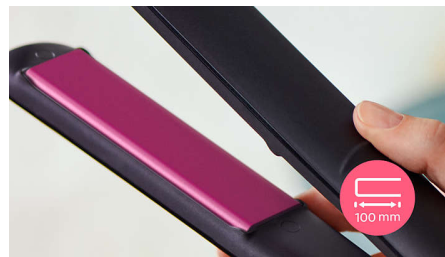

Temperature range up to 220°C to secure long-lasting result while minimizing risk of hair damage.

2 temperature settings

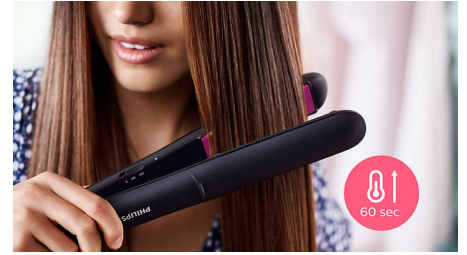

2 temperature settings. Lower temperature for last minute touch ups and gentle styling. Higher temperature for long lasting results.

100mm long plates

The longer 100mm plates enable better contact with the hair to help you achieve perfect straightening results easier and in less time.

Fast heat-up time

The straightener has a fast heat-up time, being ready to use in 60 seconds.

Key-lock function

The plates can be locked together for safe and easy storage.

Universal voltage

Compatible with 110–240 volts. Can be used wherever you travel in the world.

Specifications

Technical specifications

Voltage: 110–240 V

Cord length: 1.8 m

Heat-up time: 60 sec
