- Fast heat-up time, ready to use in 30 sec
- 100mm long plates for fast and easy straightening

Beautifully styled hair

- Temperature range from 160°C up to 230°C

Care for your hair

- ThermoProtect technology
- Keratin ceramic plates for smooth gliding and shiny hair

StraightCare Essential

ThermoProtect straightener

BHS377/00

Highlights

ThermoProtect technology

ThermoProtect technology distributes heat evenly across the plates, preventing overheating to protect your hair.

Keratin ceramic plates

Keratin-infused ceramic plates glide smoothly through your hair, for quick and easy styling.

Temperature range

Choose between temperature range from 160°C up to 230°C to secure long-lasting result while minimizing risk of hair damage.

10 temperature settings

Variable temperature settings for better control. Lower temperatures for last minute touch ups and gentle styling. Higher temperatures for long lasting results.

100mm long plates

The longer 100mm plates enable better contact with the hair to help you achieve perfect straightening results easier and in less time.

Fast heat-up time

The straightener has a fast heat-up time, being ready to use in 30 seconds.

Auto shut-off

The styler has an automatic shut-off function for safe usage. It automatically switches off after 60 minutes.

Key-lock function

The plates can be locked together for safe and easy storage.

Universal voltage

Compatible with 110-240 volts. Can be used wherever you travel in the world.

Specifications

Technical specifications

Cord length: 1.8 m

Voltage: 110-240 V

Heat-up time: 30 sec
