

Philips
Straightener

ProCare

HP8339/00

Perfect style at constant caring temperature

Ultimate hair care. The Philips ProCare straightener protects the hair from overheating, due to its newly developed Dual-Care™ plates, with constant temperature and EHD Technology™

Ease of use

- Automatic shut-off after 60 min
- Closing lock to close the handle for easy and safe storage
- 1.8 m power cord
- Universal voltage
- No more accidental change of settings with key-lock function

PHILIPS

Highlights

Key-lock function

You are always in control. No more accidental switching on/off of the styler or temperature change with the Key-lock function. To unlock, press the button for 3 seconds.

Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.

Universal voltage

Worldwide voltage for getting the perfect travel companion

1.8 m cord

1.8 m power cord
