Highlights

32mm tong

If you want to create beautiful curls or waves, you need a curling iron with a medium sized diameter. 32 mm is the perfect size for creating fashionable curls and waves. Truly the professional's choice.

Ceramic Tourmaline coating

Ceramic Tourmaline coating guarantees perfect heat distribution across the barrel, for high shine results and frizz-free curls.

180°C temperature

This high temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.

Short curling clip

Just slide it out! This design makes it easier to release the curl, just slide the styler out of your hair when the curl is ready.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.
