Highlights

DualCut technology

This all-in-one hair trimmer features Advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

18 pieces for face, head, body

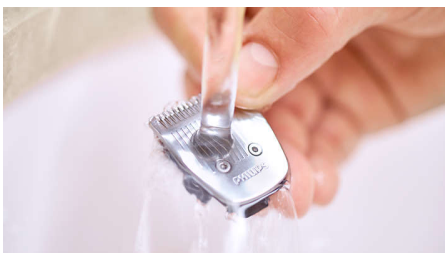

This Philips Multigroom 5000 trimmer allows you to get full-body coverage with just one tool. Comes with 18 attachments designed to handle any type of body hair, from head, face and body, to beards, nose and ear hair.

Up to 3 hour runtime

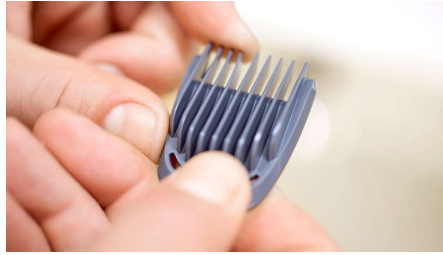

Tackle hair on any part of your body with a single charge. This Philips trimmer has a powerful battery that can be used for 3 hours on a single 1-hr charge.

Rinseable attachments

Simply rinse the water-resistant, non-corrosive blades and guards under the faucet for easy cleaning.

Reinforced guards

Get an even trim every time, with unique reinforced cutting guards designed to prevent bending and buckling that's common with impact.

Cordless and corded use

This cordless trimmer can conveniently be used cordless for up to 3 hours, or while plugged in for continual use.

Soft rubber grip

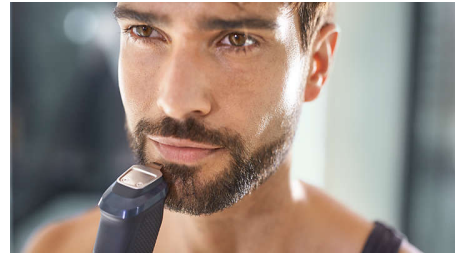

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

Steel trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the multipurpose trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Steel precision trimmer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.
