Highlights

13 piece heatstyler set

Every hairstyle you can imagine is possible with the versatile styling tools. Be creative!

5 styles

5 styles: straight, big curls, ringlets, crimps and waves

Protective ceramic coating

Ceramic coating has non-stick properties on your hair and distributes the heat evenly.

Conical shape of barrel

With the conical curler (Ø13-25 mm) you can create different types of curls and waves: from tight ringlets to loose, natural looking curls and waves. It is fast and easy, no more kinks. Add volume to your hair by creating variations on the theme of curls!

Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.

Included: Brush

Use this high quality brush to detangle and smoothen the hair cuticles to give that extra shine to your hair.

Crimper

This attachment gives your hair a great funky texture.

Small curling tong

If you want to create tight curls or ringlets, you need to use a curling iron with a small diameter.

Slide-on brush

This attachment can be easily placed on tong to create additional volume and beautiful wavy styles.

Large curling tong

If you want to create beautiful curls or waves, you need this large curling attachment with a large sized diameter.

Slide-on spiral

Just follow the curves to create the most beautiful ringlets, it has never been so easy!

Straightener attachment

The Ceramic plates glide effortlessly through your hair, giving you perfect straight and shiny hair.
