- Cool shot to set your style

Attachments

- 20mm nozzle for focused airflow

PHILIPS

Highlights

1600W of drying power

This 1600W hair dryer creates the optimum level of airflow, for beautiful results every day.

ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

Foldable handle

The compact design with foldable handle makes it easy to pack, store and take the hair dryer with you anywhere you go.

Universal voltage

Compatible with 110-240 volts. Can be used wherever you travel in the world.

3 flexible speed settings

This hairdryer offers 3 pre-selected speed/heat combinations to make it quick and easy to achieve the perfect style.

20 mm nozzle

The nozzle focuses the airflow for precision styling and touch-ups.

Cool shot

The Cool shot provides a burst of cold air - a must-have setting to set and finish your style.

Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.
