

Philips
Hairdryer

HP4997/15

The lightest AC dryer for salon results*

SalonDry AC Lite

The SalonDry AC Lite is the lightest AC dryer in the market. The AC motor with long-life cycle provides powerful airflow for fast, professional drying results and the compact design and light weight makes the drying easy and comfortable.

Easy to use

- Six flexible speed and temperature settings for full control
- Ultra slim AirJet nozzle for precision styling
- Easy clean filter
- Salon length 3m cord
- Lightweight design for ergonomic use

Less Hair Damage

- Gentle ceramic care for heat protection
- IonBreeze for frizz free, shiny hair

Time saving

- Professional longlife AC motor: more powerful airflow

Professional results

- Professional 2000W for perfect salon results
- CoolShot sets your style

PHILIPS

Highlights

6 flexible speed/temp settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.

Professional longlife AC motor

Professional longlife AC motor: more powerful airflow

Professional 2000W

This 2000W professional hairdryer creates a powerful airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.
