Hair clipper
Stainless steel blades 13 length settings, 75mins cordless use/8h charge

HC3422/40

Highlights

DualCut Technology

Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to cut hair twice as fast as regular Philips clippers, with the added confidence of a robust steel guard for ultimate durability.*

Stainless steel blades

Self-sharpening stainless steel blades for long-lasting sharpness.

One comb, 13 lengths

Designed for a hassle-free cutting experience and easier storage, one adjustable comb offers every length setting you will need. Simply adjust the comb to select and lock in the length you

want, with 12 length settings from 1 to 23mm (3/64" to 7/8"), and precisely 2mm (3/32") between each length. Or you can use it without the comb for a close 0.5mm (1/32") trim.

Corded & powerful cordless use

Use the clipper corded or cordless for maximum power and freedom, with 75 minutes of cordless power after 8 hours of charging.

Washable Blades

Simply click open the detachable head to quickly release and wash the blades.

5-yr worldwide warranty offer

All of our grooming products are built to last. They come with a worldwide warranty and

worldwide voltage compatibility. Simply register your clipper on www.philips.com/welcome to receive an additional 3 years on top of your standard 2-year Philips warranty, giving you a 5-year worldwide warranty in total.

Hard storage case

Your clipper comes with a reliable hard case for complete durability, to ensure it is kept in optimum condition for ultimate power and precision, time after time.

No oil needed

No oil needed, for easy maintenance and to save you time.
