Highlights

Self-sharpening blades

Designed to effectively cut each hair perfectly, preventing skin irritation.

Full size trimmer

Use the full size trimmer without a comb to complete your style and get clean, sharp lines around the edges of your beard.

Beard & stubble comb

Trim your beard to exactly the length you want, by locking in the setting that suits your desired look. The beard & stubble comb offers 18 length settings from 1mm to 18mm, with precisely 1mm between each setting.

Dedicated stubble comb

Trim your stubble to exactly the length you want, by locking in the setting that suits your desired look. The stubble comb offers 12 length settings from 1mm to 12mm, with precisely 1mm between each setting.

Precision trimmer

Create fine lines, contours and details to define or change your style.

Nose trimmer

Remove unwanted nose and ear hair, easily and comfortably.

Hair comb

Keep your haircut in style, or create a new one, by trimming to different lengths. The hair comb offers 18 length settings from 3mm to 20mm, with precisely 1mm between each setting.

Body comb

Trim your body hair to exactly the length you prefer. The body comb offers 10 different settings, for a clean, comfortable trim on your chest, armpits or groin.

Skin-friendly blades

Get a gentle trim that is high on performance. Blades are self-sharpening and made of finely ground chromium steel, giving you lasting performance. Their rounded tips and combs ensure smooth, protected contact with your skin.

60 min run time, 10-hr charge

Our new blades reduce friction to give you up to 70% more run time than previous models.

Fully washable

Simply rinse the blades and combs after each use for long-lasting performance.

Storage pouch

Keep your all-in-one trimmer organized with the convenient pouch, which holds and protects the trimmer and all attachments when you're on the go.

Built to last

All of our products are built to last and come with a 2-year worldwide warranty.
