PHILIPS

3-in-1 Facial Cleansing Brush

10x better cleansing than by hands Immediate results in 9 out of 10 women, Special precision cleansing brush, Massage attachment for glowing skin

Highlights

Step 1: Deep pore cleansing

The deep pore brush helps to reduce the appearance of pores. Immediate results shown in 9 out of 10 of women.

Step 2: Precision cleansing

The precision brush is uniquely designed to reach and cleanse the hard to reach areas such as around the nose. It also has a customized program, with more intense rotations and a shorter treatment time dedicated to cleanse the nose area for pure and refined skin.

Step 3: Revitalizing Massage

Using the Revitalizing Massage head with its Customized DualMotion programme, you will

increase the blood circulation and bring life into your skin. This brings out its natural radiance, leaving it looking revitalized and with a healthy glow.

Customized DualMotion

VisaPure Advanced is equipped with Customized DualMotion technology. Each head that comes with VisaPure will have specified levels of rotation and vibration. Both the handle and the new attachments are equipped with an innovative NFC tag that enables the advanced Intelligent Head Recognition. This means that the handle immediately recognizes the specific head once put on. In this way, you can enjoy dedicated programs of Customized DualMotion technology for different skincare benefits.

Deep Pore Brush Bristles

The deep pore brush comes with a unique combination of bristles of thicker and thinner bristles. The thin bristles reach the pores and cleanse them well, while the thicker bristles

SC5371/10

Increases absorption of creams

Cleaning your face with VisaPure means that you remove more make up residue, dead skin cells and dullness. Thanks to the deep cleansing effect, your favorite skincare products such as blackhead treatments, creams, serums and essences are better absorbed by the skin.

Relaxes the muscles

Thanks to the elegant and functional design of the head with its five small balls, it feels like 750 gentle finger tapping movements per minute. The Revitalizing Massage program lasts 3 minutes, and you can enjoy a facial massage several times a week.
