Highlights

Contour following comb

The contour following comb adjusts to every curve to give fast and comfortable results.

Self-sharpening blades

Revolutionary wave-shaped, self-sharpening blades channel and cut hair for a precise and even result.

15 integrated length settings

Select and locks your desired length within a versatile range of possible lengths.

Length indicator

On the front of the hair clipper the length indicator shows you the exact hair length you'll get with a particular setting.

Short length comb

A dedicated comb to cut your head hair for an extra short hair style.

Storage case

The high quality case provides a storage solution for all the accessories and protects them from damage
