brush

SmartClick

Super Soft

RQ585/53

Advanced cleansing, oil free feeling

Longer oil control than manual cleansing

Longer oil control than manual cleansing. This is a brush head that you click onto your shaver. 1 minute deep cleansing with the brush helps cleanse oil deeply. You can use the brush in combination with your own cleansing product.

Longer lasting oil-control than manual cleansing*

- Oil-control cleansing brush head

Deep cleansing in a gentle way

- Silky soft bristles cleanse as gentle as your hands

Follows each curve of your face

- Seamlessly follows the curves of your face

SmartClick: simply click on to your Philips shaver

- SmartClick: simply click onto your Philips shaver

Highlights

Oil-control brush head

The rotating brush, that you use in combination with your own daily cleansing products, gives longer lasting oil-control effect which contributes to a healthy looking skin.

SmartClick

Simply click the brush onto your own Philips compatible shaver* and cleanse your face

Silky Soft Bristles

The silky soft bristles, made of 17000 fibers and each of them is only 50 microne in diameter, are as gentle as your hands

Pivot Contour Following

Constantly keeps the brush in close contact with your skin and reaches all hard to reach areas
