Highlights

Skin-friendly blades

Get a gentle trim that is high on performance. Blades are self-sharpening and made of finely ground chromium steel, giving you lasting performance. Their rounded tips and combs ensure smooth, protected contact with your skin.

Lithium-ion battery

Advanced lithium ion battery delivers maximum power for high performance cutting. Longer lasting lifetime than NIMH rechargeable battery.

Turbo boost

Power through even the thickest hair. Turbo power helps you cut the longest, most dense parts of your hair by increasing the cutting speed.

Fully washable

Simply rinse the blades and combs after each use for long-lasting performance.

Storage pouch

Keep your all-in-one trimmer organized with the convenient pouch, which holds and protects the trimmer and all attachments when you're on the go.
