Highlights

No oil needed, ever

No need to oil ever, for easy maintenance.

ProtecTube technology

With the revolutionary ProtecTube technology, the cutter is protected by an ultra-thin foil guard with rounded tips to prevent skin irritations. In addition, the cutter is designed to prevent hair from getting caught between two separately moving cutting blades, for no pulling - guaranteed.

Powerful cutting system

Both cutter and guard have ultra precise & sharp cutting slots to ensure all hairs of nose, ear or eyebrow are quickly and effectively cut.

DualCut technology

The DualCut detail trimmer helps you trim & shape your facial style (stubble, goatee, sideburns, neckline or mustache) with high control and visibility.

Ideal angle

The Philips Norelco nose trimmer has been engineered so that it is perfectly angled to easily reach hair inside the ear, nose as well as for use on eyebrows. With the Philips Norelco nose trimmer, you can be sure that all unwanted hairs will be removed efficiently.

Water resistant

The trimmer and the combs are water resistant and easy to clean under the faucet after each use.

3 combs

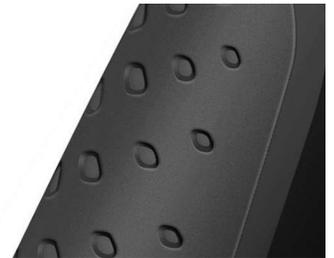

3mm (1/8") beard comb, 3mm & 5mm (1/8" & 1/16") eyebrow combs to trim eyebrows and beard to a uniform length.

Lithium AA battery and pouch

Your trimmer is ready to use straight away. Soft pouch for easy storage of all accessories and travel.

Soft rubber grip

The soft-touch rubber grip gives you the best hold, even when wet, for better control when operating your trimmer.

2-year worldwide guarantee

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
