Perfect Beard, less mess with new Vacuum System

This vacuum beard trimmer delivers superior trimming performance with integrated vacuum system to capture hairs during use. Less mess guaranteed.

Best performance that feels great

- Contour following comb for a precise and even trim

Brings maximum ease of use

- Maintenance-free blades
- Vacuum system captures cut hairs for mess-free trimming
- Clear view hair chamber for visual control

Create the look you want

- 18 secured length settings from 1mm up to 18mm

Provides optimal power

- Corded and cordless use for maximum power and freedom
- Strong lithium-ion battery for optimal power use

Highlights

18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

Contour following comb

Flexing guide comb that follows every curve of your face for getting an even trim in an easy and comfortable way.

Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.

Maintenance free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in 8 hours for 50 minutes use.

Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.
