Electric Shaver Wet
& Dry

Shaver series 3000

CloseCut shaving head

Wet&Dry

AT610/14

Great skin protection, smooth shave

Now you can enjoy a refreshing shave without worrying about damaging your skin. Use AquaTouch with shaving gel or foam for enhanced skin comfort. Aquatec seal ensures a safe, refreshing wet shave. Or use dry for a convenient quick shave.

Easy to use

- 2-year guarantee, worldwide voltage and replaceable blades.
- A 10-hour charge gives 30+ minutes of cordless power.
- Unique ergonomic grip for extra precision and full control.

Performance

- Consistent blade performance for up to 2 years.

Skin-friendly

- CloseCut blades glide gently for a smooth, close cut.
- Aquatec: refreshing wet shave with foam or an easy dry shave

Highlights

Aquatec Wet & Dry

The Aquatec seal on the shaver makes it 100% waterproof. Use it in the shower with your favorite shaving gel or foam for extra skin protection. Naturally, you can also shave dry for convenience. When you're done, simply pop the heads open and rinse under the tap to easily clean your shaver.

CloseCut blades

CloseCut blades have rounded edges that glide smoothly on your skin, so you always get a close - yet comfortable - shave.

Long-lasting blades

For maximum performance, replace your shaving heads every 2 years.

Cordless use

Cordless for convenience. Gives you 30+ minutes of cordless power. Fully recharges in 10 hours.

Easy to grip

The shaver handle has an ergonomic grip with anti-slip coating, ensuring close control for extra precision during your shave.

Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage.
