- 30 minutes run time after 8 hours USB charging

Skin friendly performance

- Get a perfect but protective trim
- Skin-friendly blades for zero trim

Precision

- 10 lock-in length settings, 1mm precision

Highlights

Self-sharpening blades

The self-sharpening steel blades on the Philips 3000 beard trimmer stay as sharp and effective as on day 1 to deliver a perfect yet protective trim, time after time.

10 lock-in length settings

10

Get a 3-day shadow look of 1mm or a full beard of 10mm, in precise 1mm steps or remove the comb and get the zero trim look of 0.5mm.

Cordless use, USB charging

Charge your trimmer for 8 hours with your any micro-USB cable to get 30 minutes of cordless use. You can plug it in to your laptop or use an adaptor.

Skin-friendly blades

Get a perfect yet protective zero trim, time after time. They also have rounded tips and combs to help prevent skin irritation.

Easy to clean

Detach the head of your Philips beard trimmer and rinse it under the tap for easy cleaning. Then dry it before you put it back on the appliance.

Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.

Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.
