### **Beautifully styled hair**

- 210°C professional high heat for perfect results
- Long plates for fast and easy straightening

### **Less hair damage**

- Ceramic coating for ultra-smooth gliding

# Highlights

## Long plates

The longer plates enable a better contact with the hair and help you achieve perfect straightening results in less time.

## 210°C professional temperature

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

## Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

## 1.8 m cord

1.8 m power cord

## Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

## Universal voltage

Worldwide voltage for getting the perfect travel companion

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

## 2 years guarantee

2 years of worldwide guarantee.

## Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.
