Highlights

20 lock-in length settings

Turn the wheel to simply select and lock-in the length settings you want: from a 3-day beard of 0.5mm up to a full beard of 10mm, in precise 0.5mm steps.

Titanium blades

Advanced titanium blades for superior cutting performance and long-lasting sharpness

Perfect 3-day beard every day

Set the trimmer at the lowest position for a perfect stubble, just 0.5mm long.

Skin-friendly high-performance

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.

Corded and cordless use

Use it plugged in or cordless. 1 hour of charging gives you 60 minutes of cordless power.

Easy to clean

Detach the head of your Philips beard trimmer and rinse it under the tap for easy cleaning. Then dry it before you put it back on the appliance.

Travel and storage pouch

The included travel pouch keeps everything together when you're at home, at the gym or on-the-go.

Built to last

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
