- Maximum precision with double blades
- Get a perfect but protective trim

Precise length control

- Adjusts to different length settings

Built to last

- The blades never need oiling
- Warranty for purchase protection

PHILIPS

Hair clipper
Stainless steel blades 13 length settings, 75mins cordless use/8h charge

HC3520/13

Highlights

Trim-n-Flow technology

Our Philips hair clipper with new, innovative comb is designed to prevent hair from getting stuck. So you can cut your hair, from start to finish, without interruptions.

13 lock-in length settings

Cut your hair to the exact length you want. Just select one of 12 length settings between 1mm to 23mm at 2mm increments, or remove the comb for a close 0.5mm trim.

Easy to clean

Clean your electric hair clippers with ease. Simply click open the head to release and clean the blades.

DualCut Technology

The Philips Hairclipper 3000 features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

Cordless & corded use

Don't get tangled up in your cordless hair clippers – one 8 hour charge provides up to 75 minutes of powerful clipping time. Or keep it plugged in for uninterrupted trimming.

Zero maintenance

Clipping power that's easy to maintain—our blades never need oiling.

Stainless steel blades

The self-sharpening steel blades are designed to be incredibly long-lasting. Even after 5 years they cut with the same precision and accuracy as day 1.

Comfortable grip

Philips clippers have a textured grip designed for easy handling, so you can cut your hair with control and in comfort.

2-year worldwide guarantee

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
