Highlights

20 locking length settings

Simply select and lock in the length setting you want: from a stubble of 0.5 mm up to a full beard of 10 mm, in precise 0.5 mm steps.

3-day beard, every day

Set the trimmer at the lowest position for a perfect 3-day beard, just 0.5 mm long

Battery light

Battery light glows green when the battery is full, and blinks orange when 10 minutes remain.

Built to last

All of our grooming products are built to last. They come with a 2-year warranty and they never need to be oiled.

Corded and cordless use

Use it plugged in or cordless. 1 hour of charging gives you 60 minutes of cordless power.

Diamond-like carbon blade

Ensures the cutting element stays sharp 3 times longer than traditional stainless steel blades

Ergonomic design

Comfortable to hold and easy to manoeuvre for hard-to-reach areas.

High-performance trimmer

The trimmer blades have self-sharpening edges that cut hairs neatly and effectively. Blades are extra-sharp but have rounded tips to protect your skin

Skin friendly trimmer

Rounded tips provide smooth skin contact, while the sharp cutting edges deliver a high trimming performance

Easy to clean

To clean the trimmer head, simply rinse it under the tap.
