SmartClick precision trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

40 minutes of cordless shaving

You'll have 40+ minutes of running time – that's about 13 shaves – on a one-hour charge. This shaver only operates in cordless mode.

1-hour charging time

Shave longer with every charge, thanks to our powerful and long-lasting Lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut Action. The first blade raises each hair while the second blade comfortably cuts below skin level, for exceptionally smooth results.

LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 1-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator

One touch open

Simply pop the heads open, and rinse thoroughly under the tap.

Built to last

All of our shavers come with a 2-year worldwide warranty and can adapt to any voltage. The long-lasting blades only need to be replaced after 1 year.
