Thorough results

- Choose the right speed according to your needs
- For best results, replace disc every six months

PHILIPS

Electric foot file

With ultra-precision edge Rotating disc, Wet and dry, Cordless and rechargeable

Highlights

Unique rotating disc

The unique rotating disc with ultra-precision edge gives you smooth feet from heel to toe. The rotating disc and precision edge allows you to remove callus in a precise, effortless and gentle way for both large and smaller areas.

Gentle treatment for your skin

Gentle treatment for your skin thanks to the natural mineral corundum infused in the disk.

Award-winning handle design

Award-winning ergonomic design that allows you to easily reach your heels and toes.

Wet and Dry

For wet and dry usage.

Rechargeable

Philips Pedi advanced is rechargeable so you do not have the hassle of replacing batteries. You can recharge the full battery in 1.5 hours which will give you 40 min treatment time, but you can also use the quick charge option so you can charge your device for 10 min for one full treatment of your feet!

2 speed settings

Speed 1 for extra effective callus removal. Speed 2 for gentle callus removal.

Replace disc every 6 months

For best results, we recommend replacing the disc every six months.
