Highlights

Full-sized trimmer

Use the full-size trimmer without a comb to complete your style and get clean, sharp lines around the edges of your beard.

Beard and stubble comb

Trim your beard to exactly the length you want, by locking in the setting that suits your desired look. The beard and stubble comb offers 18 length settings from 1 mm to 18 mm, with precisely 1 mm between each setting.

Detail trimmer

Create fine lines, contours and details to define or change your style.

Detail foil shaver

Get rid of unwanted hairs with precision on small areas of your cheeks and chin, for a clean finish.

Detail comb

Precisely comb and trim your eyebrows and sideburns for a finished look.

Nose trimmer

Remove unwanted nose and ear hair, easily and comfortably.

Hair comb

Keep your haircut in style, or create a new one, by trimming to different lengths. The hair comb offers 18 length settings from 3 mm to 20 mm, with precisely 1 mm between each setting.

Body comb

Trim your body hair to exactly the length you prefer. The body comb offers 10 different settings, for a clean, comfortable trim on your chest, underarms or groin.

Skin-friendly blades

Get a gentle trim that is high on performance. Blades are self-sharpening and made of finely ground chromium steel, giving you lasting performance. Their rounded tips and combs ensure smooth, protected contact with your skin.

60-min run time, 10-hr charge

Our new blades reduce friction to give you up to 70% more run time than previous models.

Fully washable

Simply rinse the blades and combs after each use for long-lasting performance.

Storage pouch

Keep your all-in-one trimmer organised with the convenient pouch, which holds and protects the trimmer and all attachments when you're on the go.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.
