Create the look you want

- 18 secured length settings from 1 mm up to 18 mm

Provides optimal power

- Strong lithium-ion battery for optimal power use
- Use corded and cordlessly

PHILIPS
NORELCO

Highlights

18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

Contour-following comb

Flexing guide comb that follows every curve of your face for an even trim, easily and comfortably.

Maintenance-free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.

Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in 8 hours for 50 minutes use.

Corded and cordless use

Use your electric beard trimmer corded or cordlessly with the rechargeable battery for maximum power and freedom.
