

Philips Hairclipper series  
7000  
hair clipper

### Titanium Blades

12 length settings  
75 mins' cordless use/1 hr charge

QC5380/32

## Professional power

This powerful Philips hair clipper cuts even the thickest hair, thanks to titanium blades, the turbo button and the powerful lithium-ion battery. One quick charge provides enough power for up to 75 minutes of cordless use.

### Easy to use

- Contour-following comb follows every curve of your head.
- 2-year guarantee, worldwide voltage, no oil needed
- Specialised comb for a quick 1 mm buzz style
- Shows the battery status
- 12 lock-in length settings from 0.5 mm to 21 mm
- Pop-open head makes it easy to clean under the tap

### Performance

- Superior cutting performance with titanium-coated blades
- Up to 75 min. of cordless power after 1 hour quick-charge.

### Professional power

- Turbo power button boosts cutting speed

# Highlights

## Titanium blades

Advanced titanium blades for superior cutting performance and long-lasting sharpness

## Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.

## 100% waterproof

Simply pop the head open and rinse under the tap to clean.

## Follows every curve

The hair clipper gently follows the contours of your head for a fast, even and comfortable haircut.

## 1 mm Buzz Comb

Extra precision with the 1 mm buzz comb for extra short hairstyles.

## Battery light

The light is continuously lit to indicate a full battery, and blinks orange when you have about 10 minutes of usage left.

## 12 lock-in length settings

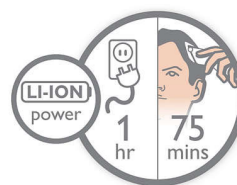

Two combs provide length settings from 1 mm to 21 mm, with precisely 2 mm between each length. You can use it with the specialised comb for buzz cut... Or you can use it without a comb for a close 0.5 mm trim.

## Turbo power

The turbo power button boosts cutting speed for a perfect cut on even the thickest hair.

## Li-ion battery power

Use with or without cord for flexibility. The powerful lithium ion battery lasts for up to 75 minutes after a 1 hour charge. A quick 10 minute charge gives you 10 minutes of clipping time, so it's always ready when you are.
