

Bakuhanseki coating
Multifunction
10 menus

PHILIPS

Highlights

Smart 3D heating

"Smart 3D" creates powerful heat circulation from top, side and bottom that heats rice evenly and thoroughly.

Durable coating

Bakuhanseki coating which is super durable and 6X harder. Bakuhanseki is natural stone and contains minerals and micro-nutrient elements.

Automatic keep warm

Keep warm function automatically starts to work after rice is cooked and ensures your rice remains hot and fluffy for up to 24 hours.

10 menus

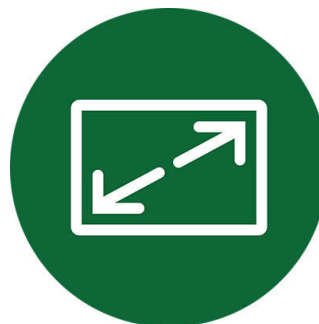

10 multifunction programs with separate menus for rice and multigrain for a variety of dishes.

5 layers

5 layers for better heat conductivity, and extra thick alloy ensures every grain is cooked perfectly.

Large digital display

Large digital display provides easy-to-read menus and time for easy operation.

Detachable inner lid

Detachable inner lid for easy cleaning.
