Highlights

Comfortable design

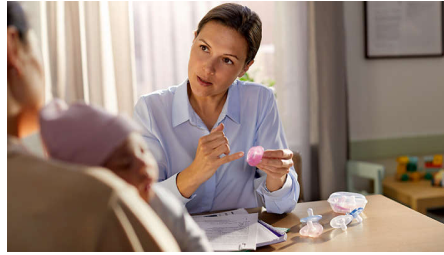

The special curved, heart-shaped shield is designed to follow the natural curves of your baby's face, so as to provide maximum comfort without bumping into his or her tiny nose.

100% medical grade silicone

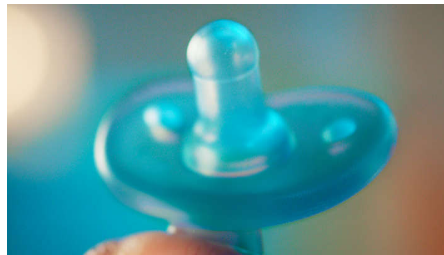

Soothie has a durable one-piece design, made entirely from flexible medical grade silicone. Our team of experts specially-created it for your newborn baby of 0-6m

Used in hospitals

The Philips Avent Soothie range is distributed in hospitals all across Europe. It is trusted by doctors and nurses to soothe newborns.

Orthodontic nipple

Soothie supports the natural oral development of your baby. Its orthodontic nipple – with a symmetrical shape – respects your baby's palate, teeth and gums.

Fingerheld solution

It's uniquely designed so that you can place your finger in the nipple. This enables you create an even stronger bond with your baby, by helping them suckle.

Easy to clean

Thanks to its fingerheld design, drops of water don't get trapped in the nipple.

Easy to clean and sterilize

Did you know that Soothie travel case can also be used as sterilizer? Add some water and pop it in the microwave for extra hygiene*.
