Highlights

Flex & Pivot Action

Three independently flexing heads in a shaving unit that swivels with a full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.

Super Lift & Cut technology

The dual blade system of this electric shaver lifts hairs to cut comfortably below skin level.

Precision Cutting System

The electric shaver has ultra thin heads with slots to shave the long hairs and holes to shave even the shortest stubble.

Precision tube trimmer

Patented tube trimmer technology for great precision and maneuverability. Perfect for contouring and trimming moustache and sideburns.

Washable shaver

The waterproof shaver can be easily rinsed under the tap.
