

Philips
shaving heads

Flex Tracker system

HS85/40

Keep a close shave

Change heads every 12 months for best results

Every year, your blades travel the height of Mt. Everest ... 49 times! After such a workout, even the best materials can lose their edge. Retain your razor's peak performance - Replace the heads once every 12 months.

Comfortably close

- Super Lift & Cut shaving technology with dual blade system

Shave in or out of the shower

- Wet use

Skin protection system

Highlights

Flex Tracker system

The Flex Tracker automatically tracks the curves of your face and helps to protect against skin irritation.

Super Lift & Cut technology

Dual blade system of your Philips shaver: first blade lifts, second blade cuts for a comfortable close shave.

Glide rings

The shaving heads have unique glide rings to help the shaver move smoothly over your face.

Wet use

Use the shaver in the shower to save time and gives you the fresh sensation of wet shaving.
