Highlights

ComfortTech blades

Self-sharpening blades provide an efficient clean shave with optimal skin comfort. The curved blade caps shield your skin from the blades, which gently cut hair just above skin level.

360° contour heads

Fully flexible heads turn 360° to follow your facial contours. Experience optimal skin contact for a thorough and skin-friendly shave.

Multigroom series 1000

The DualCut precision trimmer helps you trim evenly & shape your facial style (stubble, goatee, sideburns, neckline or mustache) with high control and visibility.

Easy grip

The shaver is designed with an ergonomic grip, so each movement feels natural. The new ergonomic handle with anti-slip rubber allows you get an effortless easy shave even when using under the shower.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

One-touch open

Clean the shaver with ease. At the touch of a button, flip open the shaver head and rinse with water.

50 minutes of cordless shaving

Shave cordlessly for up to 50 minutes after one full battery charge.

1-hour charging time

Fully charge your Philips shaver in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

Advanced display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 1-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator.
